

In the Claims:

Please cancel claims 1-24. Following is a complete listing of the claims pending in the application, as amended:

1-24. (Cancelled)

25. (Original) A method of delivering an optical disk into a carrousel comprising:

- (a) holding the optical disk in a carrousel;
- (b) delivering the optical disk from the carrousel to a location within the carrousel by translating the optical disk in a first direction;
- (c) rotating the disk; and
- (d) delivering the optical disk from the location to the carrousel by translating the optical disk in a direction opposite to the first direction.

26. (Original) A method of reading data from an optical disk comprising:

- (a) holding the optical disk in a carrousel;
- (b) if data from the first side of the optical disk is to be read, then delivering the optical disk to an optical reader and reading the data; and
- (c) if data from the second side of the optical disk is to be read, then delivering the optical disk to a transfer mechanism along a first direction, delivering the optical disk to the carrousel along the first direction, delivering the optical disk to the optical reader, and reading the data.

27. (Original) A method of reading data from an optical disk comprising:

- (a) holding the optical disk in a carrousel;
- (b) if data from the first side of the optical disk is to be read, then delivering the optical disk to an optical reader and reading the data; and
- (c) if data from the second side of the optical disk is to be read, then delivering the optical disk to a turning mechanism, rotating the optical

disk, delivering the optical disk to the carrousel, delivering the optical disk to the optical reader, and reading the data.
